Press release # 24

Latest changes in TL, TM and TRs

We would like to announce some last minute changes with a number of Team Leaders, Team Mates and Referees.

1. The Hawaiian team resigned.

Unfortunately, the Hawaiian team of Mike KH6ND and John KH6SH had to resign from participation for personal reasons. Since there is no replacement for Team Oceania #2 we will be missing this team.

2. WRTC-2010 organizing committee decision on Central America team.

We've been in correspondence with Ted HI3TEJ for over 2 months following his attempts in finding his Team Mate among Caribbean and Central America contesters. Since Ted's attempts came to no results he offered John W2GD well known as another Caribbean P40W as his Team Mate. After number of debates WRTC-2010 organizing committee has decided to support Caribbean and Central America contesting and to approve HI3TEJ's wish to name John W2GD/P40W as his Team Mate.

3. Referees change.

Tom K1KI has resigned as Team Referees for personal reasons.

Alan N3AD as a backup referee is there for Tom's replacement.

The WRTC-2010 organizing committee welcomes HI3TEJ, W2GD and N3AD to join our great event.
