Press release # 27

New Sponsor team, TM and TR changes

There were some changes during last 2 weeks which we finalize now.

1. We would like to announce that our corporate sponsors selected their last team including Andy UA3DPX as a Team Leader and Igor UA4FER as his Team Mate.
2. Hrane YT1AD has changed his Team Mate YT6W to Acim YT3W due to a personal reason and request of YT6W.
3. Unfortunately, we have 2 referees resigned from participation for personal reasons as well. They were 4O4A and LZ4AX.

Zoran YU1EW has replaced 4O4A by request of Ranko 4O3A and Mats SM6LRR has replaced LZ4AX by decision of Organizing and Judging Committees.

UA9MA is a new referee from our back-up list to match referees number to a number of teams.

The WRTC-2010 organizing committee welcomes UA3DPX, UA4FER, YT3W, SM6LRR and UA9MA to join our great event.
